

LEE WISHAU - CALEDONIA VILLAGE BOARD TRUSTEE #6 (NP)

Key findings include:

- **Long-Time Member of Village Board:** Wishau has served on the Caledonia Village Board since 2006.
- **Republican and Potentially Anti-Democratic Leanings:** Wishau donated to the RNC in 2008 and is a fiscally conservative member of the Board. His responses to a phonebank in 2023 indicated he may have anti-democratic leanings.

Caledonia is a suburban/lakeshore village in northeast Racine County (between the City of Racine and Milwaukee County). Population was 25,361 in the 2020 Census; recent ACS estimates put it at ~25.3k with a relatively older median age (~45). Development pressure along the I-94 corridor remains salient (e.g., Ashley Capital's 223-acre South Hills Commerce Center announced in 2025). Caledonia Village is more conservative than the rest of Racine County; Trump won the Village 58-42 in 2024 compared to 53-47 for the rest of the county.
